

## Mile High Behavioral Healthcare - Aloha Sunset Soiree Fashion Show, August 9th, 2024

The Miracles Women's Program offers comprehensive support services tailored to address women's challenges, guiding them toward strength, health, and independence. This includes treatment for women aged 18 and above dealing with substance use and mental health issues. The program provides various treatment and wrap-around services to cater to individual family needs, fostering self-care and personal growth. Additionally, MHBHC offers transitional housing at Miracle on Logan Street for women completing the initial phase, assisting them in reclaiming custody of their children, securing employment, and transitioning to permanent housing. This past year we have worked on our current buildings for the Miracles Programs. We have added a fully renovated kitchen, as well as additional rooms to increase the number of moms and babies, served at our residential center. We also did a full remodel on the Miracle on Logan Street House. The 9-unit house has updated appliances, cabinets, furniture, flooring, roof, and more!

This event is dedicated to celebrating women in recovery, reuniting children with their mothers, and women striving to maintain their sobriety. We are excited to invite you to join us in one of MHBHC's enduring traditions, our 6th Annual "Aloha Sunset Soiree" Fashion Show. Your participation demonstrates your dedication to the community. Your contribution could be the turning point for a mother and her child. Please take a moment to review this information and think about becoming a sponsor on August 9th.

We aim to create a memorable event that will bring you back year after year. This year will include an authentic Luau cook-out showcasing fire dancers, authentic desserts, VIP boat rides, and more surprises!

Our top priority is reinvesting in this essential program and advocacy through sponsorships. Please find the attached sponsorship opportunities. We strive to maximize the event's exposure through media coverage, providing sponsors with a valuable return on investment and brand visibility as well as a tax deduction.

We invite you to join us in assisting those on the path to recovery!
